

Answering Machine script:

Good morning / Good afternoon/ Good evening.

Hi, this is [interviewer name]. I'm calling on behalf of the Ohio Housing Finance Agency. Your phone number was randomly selected for the Ohio Housing Needs Survey, which asks residents of the state about their current housing conditions and their opinions on a wide variety of housing topics. This information will help the Ohio Housing Finance Agency improve access to affordable and desirable housing in Ohio, so we really hope you can participate. The survey will take only about 15 minutes. When you have the chance, please give us a call back at 1-877-273-3699 to schedule a time to talk with us that's more convenient for you. Thanks for your time and have a good [day/night].
